EXPERIENCE

Kouros Maghsoudi, Furniture Design and Events Intern

SEP 2024- DEC 2024 | NEW YORK

Collaborated with over 10 recognized brands, including Areaware, UMA, and Palm Springs, and actively participated in client meetings to align on project goals.

Curated mood boards and produced 3D CAD files along with high-quality renderings tailored to meet both the director's specifications and client requirements.

Circular Economy Manufacturing, Design Intern

SEP 2024- DEC 2024 | NEW YORK

Designed interactive furniture for Governors Island utilizing the solar-powered MicroFactory; successfully secured project funding from Amazon.

Sorted different categories of plastic, processed them for recycling, and prepared materials for manufacturing.

Toshiba, Industrial Design Intern

JUL 2024- AUG 2024 | DELHI

Used AutoCAD to create precise hydro turbine drawings while refining designs with engineers to meet industry standards.

Participated in cross-functional meetings with engineers and designers to understand project requirements and workflow integration.

Acquired an in-depth knowledge of hydropower system design, components, and operation.

Objectry, Product Design Intern

MAY 2024- JUL 2024 | DELHI

Worked collaboratively on a new product line and actively participated in the development of physical prototypes to assess design viability and functionality.

Contributed to and completed over 10 furniture design projects, assisting the sales team in creating comprehensive space design solutions.

IDSA-The New School, Events Team

AUG 2023- DEC 2024 | NEW YORK

Fostered a strong community of Industrial Designers at The New School.

Organized events like social mixers, studio visits, and educational workshops with over 200 participants.

3D Lab- The New School, Student Technician

AUG 2023- DEC 2023 | NEW YORK

Troubleshoot technical problems with 3D printers, CNC machines, and laser cutters.

Assisted over 100 students in arranging their STL files, selecting the correct printer, and ensuring efficient printing.

EDUCATION

Parsons School of Design

AUG 21- MAY 25

BFA Product Design

Dean's List (3.87 GPA)

BFA Dean's Merit Scholarship

Central Saint Martins, UAL

JAN 24 - JUN24

BA Product and Industrial Design
Study Abroad Semester

SKILLS

2D

Figma · Photoshop · Illustrator ·
InDesign · PremierePro · AutoCAD ·
Microsoft Suite

3D

Solidworks · Keyshot · Rhino 3D ·
Fusion 360 · Blender

Physical Prototyping

CNC Machining · 3D Printing ·
Woodworking · Metalworking ·
Glassblowing · Ceramic · Sewing

Design Thinking

User Research · User Interviews ·
Branding · Usability Testing ·
Wire framing · Interaction Design

CERTIFICATE

Google UX Design Professional

Coursera, December 2024

ACHIEVEMENT

IDSA Rising Design Visionary

3rd Position, December 2024

Product Design Social Justice Award

May 2025
